A modern, bright living room with tufted sofas, teal pillows, and decorative tables. The room features large windows with sheer curtains, a white ceiling with recessed lighting, and a light-colored carpet. The furniture includes a large tufted sofa on the left, a smaller tufted sofa on the right, and a central coffee table. There are also several decorative items, including a tall vase and a small table with a lamp.

RH

STYLE is a UAE interior design and General Contracting organization with RH Style Carpentry as a subsidiary under its umbrella.

The experience that RH Style brings to its clients is more than 20 years, of conceptual designs and creativity, which shows clearly in our projects. Our thorough project management enables us to manage projects' budget, quality of the work, and the duration of the project.

We at RH appreciate **Royal Harmony**. We support our clients' vision and desires by having a strong team of Design Architects, Project Managers, Supervisors, Foreman, and skilled artisans.
